Land Acknowledgement Statement

Yuba Sutter Arts & Culture would like to carry forward a practice of recognizing the original caretakers of these lands within and throughout the Northern California region. Yuba-Sutter is within the ancestral lands of the Enterprise Rancheria of Maidu Indians. In 2016 the United States Federal Government restored 40 acres of trust land to the tribe on Forty-mile Road in Yuba County to replace some of the land that was taken during the construction of the Oroville Dam. We offer gratitude to these indigenous ancestors, and present-day relations of the Maidu. We acknowledge their stewardship of these lands over many centuries and uplift their legacies as they continue to build and sustain their culture and practices today. We are honored and grateful to be here today on their traditional territory.
