Marysville Charter Academy for the Arts Student Art Showcase Free Opening Reception on March 29th

Marysville, CA, March 19, 2025 – Yuba Sutter Arts & Culture is pleased to welcome into its Art Box Gallery, the Marysville Charter Academy for the Arts MCAA art students. This is the next in a series of Spring student art exhibitions. The MCAA student visual art show will be in the Art Box Gallery located at the Sutter Theater Center for the Arts. The gala opening reception with refreshments will be held on Saturday, March 29 from 12-4 pm. The art show is being curated by art department faculty including Glen Weisgerber and Edi Fogel. The Sutter Theater Center for the Arts is located at 754 Plumas Street in Yuba City.

Several of the visual art pieces that will be on display were featured recently at the annual Scholastic Art & Writing Awards event at the Sutter Theater Center for the Arts. MCAA students received high honors in this national recognition program for achievement in both the visual and literary arts. It is likely that many of these will also be submitted to the upcoming Congressional Art Competition. If you missed the Scholastic award ceremony, this exhibition would provide an opportunity to see the work alongside other pieces created by the many talented young artists in our community.

Yuba Sutter Arts & Culture believes that student art shows help celebrate a whole new generation of artists. Part of its mission is to promote exposure to the arts and to support arts education for the youth in our community. Public student visual art shows matter because they celebrate creativity, boost confidence, and provide young artists with a platform to publicly share their voices. These exhibitions foster a sense of achievement, encouraging students to pursue artistic growth. They also create opportunities for community engagement, allowing families, educators, and local audiences to appreciate emerging talent. Showcasing student artwork highlights the importance of arts education, reinforcing its role in critical thinking, problem-solving, and self-expression. Additionally, these events inspire future artists and demonstrate the power of visual storytelling. By supporting student art shows, communities invest in culture, innovation, and the next generation of creative minds. Plan to attend the reception on the 29th and celebrate these creative young people. Plenty of free parking is available on Plumas Street and in the parking lot directly across Church Street from the Theater.
