3 Great Reasons to Attend the Yuba Sutter Arts & Culture Annual Meeting: Report on the State of Art and Culture in Yuba-Sutter, Free Folias Duo Concert and Free Food, Beer and Wine!

Marysville, CA., June 13, 2025 – Yuba Sutter Arts & Culture (YSAC) is now in its 44th year since its founding in 1981. Created not long after the formation of the California Arts Council, it is one of the leading arts and culture agencies in the region and takes its mission to provide arts programming, arts education, advocacy, assistance and service to artists, governments, organizations, and residents of Yuba-Sutter very seriously.

Each year, Yuba Sutter Arts & Culture invites its members and the entire community to attend its annual meeting. After a brief bit of Board business including the election of a new slate of officers by our members (there's still time to join so you can vote!), Executive Director, David Read and other members of the YSAC team will make a presentation about the many accomplishments of the organization, recent programs and events and provide a glimpse into plans for the future including a status report about the Main Stage project at the Sutter Theater Center for the Arts. And we will introduce the 2025 Volunteer of the Year!

This year's meeting will be held on Wednesday, June 25th. Doors open at 5:30 pm and the meeting starts at 6 pm. The meeting will be held in the Sutter Theater Center for the Arts, 754 Plumas Street in Yuba City. Light appetizers and beverages will be served and it's all free and open to the public. And as a special added attraction this year, enjoy a free concert by the Folias Duo as they perform Classical, Jazz, Flamenco, and World Music on a variety of instruments including flute and guitar. Flutist Carmen Maret and guitarist Andrew Bergeron of the Folias Duo are a married couple whose unique interpersonal performer-composer collaboration of twenty years breathes new life into various musical genres. They meld European classical music with jazz, world music, and improvisation into their own rhythms, contours, and textures.

"We love updating the public on everything going on in our region," said David Read, YSAC Executive Director. "The performance by Folias Duo will be an extra added attraction," he added.
