Artist Statement

I grew up in the San Francisco Bay Area and moved to Sutter County in 1984 where my husband and I raised three beautiful daughters in Live Oak. Being new to a small community, I became active in the community by joining the Parents Club, coaching Little League softball, and joining the Junior Women's Club. Through these volunteer opportunities I met some amazing new friends and was able to participate in several fundraising events to benefit my new community. During those years I also had a rewarding career as a Human Resources Manager at Sierra Central Credit Union and Golden 1 Credit Union. After 27 years I decided to retire to spend more time with my family and friends and enjoy hobbies. I have had more time to watch my grandchildren's various sporting events, and I have played more golf. I also discovered that I enjoy painting and crafting. I especially enjoy the art of jewelry making. It gives me great joy as I create each new piece. Retirement has also allowed me to continue my community service as a member of the Live Oak Chapter of Beta Sigma Phi where the money we raise goes to various organizations that support those who are less fortunate in Yuba/Sutter area.
