**FOR IMMEDIATE RELEASE**

## **Yuba Sutter Arts & Culture Annual Meeting and Open House at the Sutter Theater**

Yuba City, CA., June 15, 2026 – Since 1981, Yuba Sutter Arts & Culture has enriched and strengthened our community by providing accessible arts, cultural experiences, and creative opportunities that inspire creativity, foster connections, enrich lives, and celebrate the diverse voices and cultures of the people we serve. How’s that for a mission statement? 45 years and still going strong and maybe even stronger than ever. Created not long after the formation of the California Arts Council, it is one of the leading arts and culture agencies in the region and takes its mission to provide arts programming, arts education, advocacy, assistance and service to artists, governments, organizations, and residents of Yuba-Sutter very seriously.

Each year, Yuba Sutter Arts & Culture invites its members and the entire community to attend its annual meeting and open house. After a brief bit of Board business including the election of a new slate of officers by members (there’s still time to join so you can vote!), Executive Director, David Read and other members of the YSAC team will make a presentation about the many accomplishments of the organization, recent programs and events and provide a glimpse into plans for the future including a

status report about the Main Stage project at the Sutter Theater Center for the Arts. The 2026 Volunteers of the Year will also be celebrated!

This year's meeting will be held on Thursday, June 25th. Doors open at 5:30 pm and the meeting starts at 6 pm. The meeting will be held in the Sutter Theater Center for the Arts, 754 Plumas Street in Yuba City. Light appetizers and beverages will be served and it's all free and open to the public. An extra added feature of this year's meeting is that the first 100 attendees will each receive a very special gift as a show of our appreciation for attending. Stop by and meet a lot of wonderful arts and culture-minded folks.

"We love updating the public on everything going on, arts and culture-wise, with us and in our region," said David Read, YSAC Executive Director. "You'll also get a sneak peek into some very exciting projects that are under development," he added.

The local affiliate of the California Arts Council for Yuba and Sutter Counties, YSAC programs include the Yuba Sutter Big Band, Ceramics for Veterans, Arts in Education, Center Stage Youth Theater Productions, Stage 754 Theatre Company, and many more!
